Applicant requests water and sewer services at the above service address and assumes full responsibility for payment of all charges based on the District's established rates and for continuing compliance with the District's rules, regulations and policies until discontinuance of such services and payment in full of the final bill.

Applicant understands and acknowledges that the District is a governmental agency and public utility engaged in the governmental function of providing public water, sewer and drainage services, and that, by receiving and acting upon this application and by providing or undertaking to provide such services, the District is not undertaking to conclude or enter into a contractual arrangement with Applicant, to establish an open account with Applicant, or to undertake any continuing obligation to Applicant, other than to provide or undertake to provide such governmental services to the premises in accordance with and subject to Applicant's continuing compliance with the District's rules, regulations and policies. Accordingly, Applicant understands and acknowledges that by providing such services or by administering rules, regulations and policies relating to acceptable plumbing practices and procedures, the District assumes no liability or responsibility for resulting damages or injury, of any kind, to persons or property, including, without limitation, damages or injury resulting directly or indirectly from the use of such services on the above premises or from any interruption, non-availability or inadequacy of such services. Applicant further understands and acknowledges that it is Applicant's sole responsibility: (1) for any failure, defects or inadequacies in the piping, plumbing, fixtures or appliances on the above premises and for any losses of water, damages, or injuries resulting from same, (2) to maintain in serviceable condition all sewer lines within the property boundaries of such premises, and (3) to furnish and maintain a private water service cut-off valve on the Applicant's side of the District's water meter(s) serving the premises.

Finally, Applicant understands and acknowledges that: (1) water and sewer service bills will be calculated in accordance with the District's established rate schedules, with water service based on the meter reading of the amount consumed for the period and sewer service based on a calculated return flow of metered water consumption; (2) bills are due and payable upon presentation and payment may be made at the office of the District; (3) bills must be paid on or before the 20th day following the postmark date on the bill, in order to receive the early payment discount, and after the 20th day, the gross amount is due; and (4) separate water meters and billings, without accompanying sewer charges, are available from the District for irrigation purposes upon Applicant's request, payment of applicable tap fees and water use charges, compliance with the District's rules, regulations and policies, and assumption of responsibility for properly connecting Applicant's irrigation system to such irrigation water meter.
